

Booking your *Flirt and Flutter* Glamour or Boudoir Portrait

Location, Props and Clothing: For the Glamour or Boudoir Portraits I can go on location but definitely suggest using my studio as that's really what it's set up for- the lighting and backgrounds are controlled to make you look your best and really bring out your confidence, and your inner goddess! If you are coming to the studio I generally book my sessions back to back and therefore will not be available for you to come in and get ready or begin the shoot before our allotted time. Unless included in your package, you should come to the studio with your makeup, hair and nails done the way you like/however it makes you feel sexy (and preferably the makeup is heavier than you probably normally wear-as it is preferable with photography). Arrive in loose comfortable clothing (to avoid marks on your skin You'll have your pick of an assortment of fun props accessories such as boas, fedoras, and yes-jewelry for the shoot but I unfortunately do not yet have an array of costumes. But feel free to breakout that sexy LBD (little black dress), men's dress shirt, pin-up dress, leather, lace, satin or silk, heels or combat boots-whatever makes you feel confident-whatever makes you-YOU. Bring a few outfits and heels to choose from. A lot of girls are nervous their first glamour shoot but believe me you are going to have so much fun!!!

Cancellations: I have a strict 24 hour cancellation policy, which if you booked through a group-buy site would have been included in the fine print of the deal, otherwise the deal is forfeited. In extreme weather conditions I may offer to reschedule the booking up to one hour before the shoot, unless you hear from me please show up at the agreed upon time.

Additional Fees: There are no taxes that need to be paid on packages purchased; however as with many services industries such as beauticians, restaurants, etc, gratuities are customary and greatly appreciated.

Package Turn Around: If you have purchased a package through me, the contract I give to you will include the turnaround for the package. With the larger packages purchased from group buy sites the turn around to receive your package is approximately one month. I will choose the photos to be printed and burned on the CD however all photos included on the DVD will be in 300dpi high resolution and therefore able to be blown up for large prints at your leisure or with additional packages purchased from me.
